## CHINESE DELEGATION VISIT TO ISRA UNIVERSITY, HYDERABAD

Mr. Zhang Yang (Chief Representative of Chongqing Federation of Industry and Commerce), Mr. Jiang Yue (Deputy Chief Representative of Chongqing Federation of Industry and Commerce) along with Dr. Haris Shaikh (Business Representative of Chongqing General Chamber of Commerce in Pakistan) visited Isra University, Hyderabad on 28 December 2019 about upcoming future joint collaborations & ventures in the field of Vocational & Educational Skills. The team was very happy to see the services & facilities of Isra University. Team met with Prof. Dr. Hameedullah Kazi, Pro-Vice Chancellor, Engineering & Management Science, Isra University, and Hyderabad. The delegation expressed their wish that future Projects are organized

just like the already successful and implemented trainings of different donors.

## SSP HYDERABAD VISITS ISRA UNIVERSITY HOSPITAL

Senior Superintendent of Police Mr. Adeel Chandio visited Isra University Hospital, Hyderabad on 09th of October 2019 to conduct an awareness session on the consumption of harmful substances by the people.

Chairman Isra Islamic Foundation, Chancellor Isra University, Vice Chancellor Isra University and others welcomed the honorable guest.

While talking to the audience in Asadullah Kazi Auditorium, Mr.

Adeel Chandio said that the consumption of substances like, gutka, poori, ice etc are injurious to one's health. They are ruining our society and its future. He said that this drug consumption practice amongst our people needs to be controlled and he firmly believes that if students and educational institutes come forward and take necessary actions, this problem could be tackled and ultimately, eliminated.

Green, Cameron Thomas Shah, Prof. Dr. Hameedullah Kazi & Sara Asghar who guided how to apply for getting admission in USA & attending concerned programs. At the end, chairperson, Department of Management Sciences, Dr. Qamaruddin Mahar

gave vote of thanks and PVC Prof. Dr. Hameedullah Kazi presented Ajrak & Topi to guests. At the occasion, Dean FCE&MS, faculty chairpersons of different departments & large number of students were present.

## ONE DAY WORKSHOP ON BUSINESS MODEL GENERATION 2019

Center for Innovation and Entrepreneurship (CIE) under ORIC, Isra University, Hyderabad organized "One day Workshop on Business Model Generation 2019" on 28th October 2019 at Asadullah Kazi Auditorium, Isra University, Hyderabad. The objective of the workshop was to train youth to become business leaders by building enterprises. Moreover, it architected emerging ideas into profitable business concepts by applying the latest global techniques of business modeling. The facilitators of this workshop were Ms. Erum Masood (CEO, Shajar Management

Consultant) and Ms. Yasra Aslam (Assistant Professor, Department of Management Sciences, Isra University, Hyderabad). In this workshop, there were more than 150 participants from Roxford Cambridge College Hyderabad, University of Sufism & Modern Sciences Bhitshah, Sindh University Jamshoro, Hyderabad Institute of Arts, Science & Technology (HiAST) Hyderabad and Isra University, Hyderabad. The organizing committee consisted of a team of Office of Research, Innovation & Commercialization (ORIC) and members of Isra Entrepreneurial Society.

## HEALTH AWARENESS WALK ON BREAST CANCER PREVENTION

Continued from Page 01

members took part in the walk which started from Block A and terminated at Asadullah Kazi Auditorium.

The walk and gathering were addressed by Dr. Naeem Laghari (Oncology Consultant of Isra Hospital), Dr. Manzoor Jamali (Psychiatrist), Ms. Nargis Baloch (Nursing Superintendent), Dr. Sajjad Kazi (Deputy Administrator Isra Hospital), and Professor Husain Bux Kolachi (Dean Basic Medical Sciences).

They told that breast cancer is a major public problem in Pakistan, where forty thousand new cases are attributed to breast cancer. The self-breast examination, early mammography, and fine needle biopsy can be diagnosed at the early stages of breast

cancer. Obesity, high fat diet, less walk, smoking, and low breastfeeding are the causes and risk factors that need more attention and community awareness. The walk was organized as a Higher Education Commission, and the Federal Ministry of Health regulation has directed Universities to hold awareness programs on their campuses.

The walk is one of the high impact awareness activity, and Isra University is holding such events on major public health issues like Rabies, Typhoid, Hepatitis, TB, Malaria, Diabetes, and Breast cancer every year. More than two hundred students, faculty members participated in the health awareness walk.

## ONE DAY SEMINAR ON NUTRITIONAL SUPPORT IN SURGICAL PATIENTS

One day seminar on "Nutritional Support in Surgical Patients" organized by the department of the Surgery Isra University, Hyderabad, on 12-11-2019

The seminar was basically held to provide information about nutritional support in surgical patients that Nutrition support is the provision of nutrients via a tube placed into the stomach or small intestine, or intravenously for patients who are unable to eat adequately when provided a normal diet. These two types of nutrition support are called enteral nutrition and parenteral nutrition.

Enteral and parenteral nutrition are usually administered to patients for short periods of time in the hospital, but are occasionally needed for extended periods of time for patients at

home or in long-term care facilities. The seminar was held under the chairmanship of Prof: Abdul Sattar Memon at Lecture Hall-III (Old IT Lab) Isra University Hospital Hyderabad.

Career Counselling Session by Pakistan Air Force Office of Research, Innovation & Commercialization (ORIC), Isra University, Hyderabad organized a session on "Career Counselling by Pakistan Air Force (PAF)" on Thursday, 14th November 2019 at Block-B, Isra University, Hyderabad. The Facilitator of the session was Dr. Nasir Majeed (Officer Commanding – Pakistan Air Force, Selection Center, Hyderabad). The objectives of the session were to counsel & build the capacity of students & graduates to apply for their upcoming different career opportunities at Pakistan Air Force to serve the nation.

## CELEBRATING WORLD HEART DAY AT ISRA UNIVERSITY HOSPITAL

Continued from Page 01

diet, regular exercise, smoking cessation and periodical check-up of blood pressure, cholesterol & blood sugar. Dr. Shazia Kazi formally welcomed all the attending participants,

chief guests and executive guests. The program was well appreciated by all the faculty members and the session was concluded by Dr. Bushra Aqeel with the vote of thanks.

## PEC CPD SEMINAR ON INTEGRATED MANAGEMENT SYSTEM

Isra University organized PEC CPD Seminar on Integrated Management Systems on 16 November 2019. The resource person was Engr. Muhammad Saleh Rind, Deputy Chief Engineer, SSGC and Member, Governing Board, PEC. Moreover, Participants from the fields take part in this session (Civil Engineering, Electrical Engineering and Mechanical Engineering along with undergraduate students), the participants were from Isra University, Hyderabad and from the adjoining areas.

The session was start with welcome address of Prof. Dr. Hameedullah Kazi, Pro-Vice Chancellor, Engineering & Management Sciences, Isra University, and Hyderabad, Pakistan. He encouraged the students to take part in these types of PEC CPD seminars in future as PEC is giving points on the basis of attending the seminars as PEC will give the status of Professional Engineer (PE) on attaining a certain amount of CPD Points. This seminar was of 01 CPD points. After the addresses Engr. Saleh honored with Sindhi Topi, Ajrak and with the Shield.

Afterwards, Engr. M. Saleh Rind delivered his Seminar which lasted for a complete day. While speaking on the occasion he

stressed the need of Safety Systems while working as a professional and student. He shared his experiences of safety at SSGC and shed light on different safety mechanisms and frameworks also involving quality standards such as ISO-9001, ISO-14001, and BS-OHSAS-18001. In the end Certificates was distributed among the participants, speakers and the organizers and the event was organized at the Faculty of Engineering, Science & Technology.

## SEMINAR ON "DIGITAL MARKETING"

Department of Management Sciences, Isra University Hyderabad organized a seminar on "DIGITAL MARKETING" at Asadullah Kazi Auditorium, Isra University Hyderabad on Tuesday, 19th November 2019. The facilitator of the session was Fareed Ahmed,

CEO of Xcl Technology. The seminar was attended by faculty members, staff and students.

The event started with recitation of HOLY QURAN followed by the welcome address and souvenir presentation to the main speaker and his Assistant Manager Nadia Bhutto by Professor Dr. Hameedullah Kazi, Pro Vice Chancellor, Engineering and Management Sciences.

The objective of this seminar was to bring awareness about the increasing importance of digital marketing, and make students know how things work in the real world. New opportunities were introduced to them with an additional incentive of an open invitation for the fresh grads to work with Xcl tech. Other than that, an inspiring story of the speaker himself had left a lasting impact on the listeners.

In the end Chairperson of Management Sciences, Dr. Qamaruddin Mehar gave closing remarks. He appreciated the management on organizing such a fruitful seminar and thanked the guest speaker for his valuable time and knowledge.

## SESSION ON SMALL AND MEDIUM SIZED BUSINESSES LOANING

Department of Management Sciences organized the session on "Small and Medium Sized Businesses Loaning" with the collaboration of State Bank of Pakistan. Mr. Ghulam Ali manager at SBP Hyderabad delivered this session. The main agenda of this session was to promote youth for startups and to explain how to get different loanings with ease. A number of schemes for youth and female entrepreneurs were discussed with students.

Prof. Dr. Abdul Subhan Kazi Dean FCE&MS, Chairman Dr. Qamaruddin Mahar and all the faculty members attended the session with great interest. Students actively participated in the question & answer session. Dr. Qamaruddin Mahar, Dr. Vivek Anand and Ms. Annam Inayat were the ones who facilitated this session.

## DIRECTOR GENERAL, NAVTTC, SINDH VISIT FOR PRIME MINISTER KAMYAB JAWAN PROGRAM

Ms. Nabila Umer, Director General, NAVTTC, Sindh and Mr. Aziz Chandio, Deputy Director, NAVTTC, Sindh, visited Isra University, Hyderabad on 16 December 2019 with regard to Prime Minister Kamyab Jawan Program for imparting Youth Skills Development Training to the youth of Sindh. The team was very happy to see the services, facilities and the trainings that organized previously by Isra University. Team met with Prof. Dr. Hameedullah Kazi, Pro-Vice Chancellor, Engineering & Management Science, Isra University, Hyderabad, Project Director, NAVTTC, and Prime Minister Kamyab Jawan Program for Youth Skills Development Programs. The participants expressed their continued support and hoped that in future to the upcoming Kamyab Jawan Program will be fully implemented just like previous trainings.

## TESTIMONIALS OF INTERNS

Career Development Center, under the Office of Research, Innovation & Commercialization (ORIC), Isra University, Hyderabad provided internship opportunities to students of various disciplines including BBA, MBA, Electrical Engineering, Software Engineering, Mechanical Engineering, ICT & Computer Science in the academic year 2018-19. Most prominent industries and companies who welcomed the students are Pakistan Telecommunication Company Ltd, Archroma Pakistan Ltd and Khushhali Bank Ltd. Students were provided with the professional environment where they practiced according to their respective field of specialization that will surely open up the doors of opportunities for them in future. Some of the testimonials are received from the interns who completed their internships and have shared their feedback as follows:

"I Pashmeena Atif Memon, am thankful to ORIC team for providing me Internship at PTCL where I learned, what is difference between practical side and theories we are being taught at University level, specifically how HR & Administration work to handle issues & how such a big organisation is trying to fullfil the needs of society."

"I Lata Kumari, want to say thanks to ORIC for such a great assistance and guidance for career opportunity at PTCL. I interacted with professionals at their premises who supported in my area of interest that remained beneficial for me."

"I Laraib Khalil, would like to say thanks to Office of Research, Innovation & Commercialization (ORIC), members for their guidance and attention throughout my internship at PTCL where I learned a lot and observed how the theories are practiced. "

"I Monaima Shaikh, am thankful to the ORIC Department, Isra University for providing me this opportunity. I worked in Administrative department of PTCL where I learned practical side of work that is more different than what I learnt in class rooms. Indeed, it was life time learning experience for me."

"I Maidha Shaikh, am really thankful to the "Office of research innovation & commercialization" for giving me such a great opportunity at PTCL. Working as an internee there, is really one of the milestones in my academic life. I did my internship in three departments, namely finance, revenue & CMC and now, am feeling experienced."

"I Joti Kumari, want to say thanks to ORIC members who supported to provide the internship at PTCL. I learned many things during my span over there, besides, made professional contacts which can be beneficial in future."

"I Farmanullah, say thanks to Office of Research, Innovation & Commercialization (ORIC), department for their great support in finding out the internship for me at PTCL, where I learned a lot and practiced the theories learnt."

"I Fariz Ahmed, say thanks to ORIC for being supportive in directing me towards the right path as I got the best opportunity at PTCL. I met with professionals and worked in the best environment and enhanced my skills and experience."

"I Pashmina Chachar, want to say that overall, my experience at PTCL was wonderful. I learnt how to deal with the different situations and how to make immediate decisions. I was working on the project which assistant manager assigned me in which my skills are polished to work for next level. Thanks to ORIC team for your support in getting this opportunity."

"I Arisha Chachar, say thanks to ORIC team who gave me opportunity to gain experience in PTCL. I learned a lot of new techniques. They gave us individual assignments which enhanced my skills and understood how to communicate with coworkers, how to handle pressure and adapt new culture."

"I Maryam Chandio, am very thankful to ORIC who gave me that wonderful PTCL Internship opportunity, where I was given with ample opportunities to use my academic skillset in my internship with PTCL. My tasks included Pre-Audit of invoices, Parking of Invoices on ERP (SAP), Reconciliation of Bank Statements & Trend Analysis. Most importantly, the internship has given me a better outlook into what I would want to pursue in the future."

"I Miandad, did my internship at the multinational company 'Archroma Pakistan Ltd', with the help of ORIC, Isra University where I worked in professional environment and learned new techniques in production chemical & dyes and also got overview of all the departments working in operation."

"I Huzaifa Bawany, would say, my internship experience at Archroma Pakistan Ltd was amazing. I became able to sharpen my skills and got the opportunity to have hands-on experience which provided me with a better understanding of the Industry. I am very thankful to ARCHROMA as well as ORIC team without their support it would not have been possible to get this opportunity."

"I Shayan Balouch, must say, working in Archroma Paksitan Ltd as an intern, was an opportunity that enhanced not only technical aspect of my skills but provided guidance regarding to all the SOP's that the employee has to follow in all sort of environment e.g. Industry as well as Corporate Sector. I really like to thank ORIC for pushing me & finding this spontaneous internship opportunity."

"I Abbas Haider, would say, working at khushali Micro finance bank allowed me to dive deeper into a micro finance area that I was extremely passionate about but have learnt from experts, stakeholders, and gained tangible skills. The KBL staff is extremely kind, hardworking, and invested in the growth of their interns. I would also like to say thanks and congratulate ORIC department, Isra University for facilitating me in my career path."

## PEC VISITS DEPARTMENT OF ELECTRICAL ENGINEERING

The Pakistan Engineering Council (PEC) visited the department of Electrical Engineering from 03 to 05 October 2019. ## POSTER PRESENTATION OF BBA RESEARCH PROJECTS

Department of Management Sciences organized a "Poster Presentation of BBA Research Projects" on November 14, 2019, at Block B, DMS, Isra University, Hyderabad. After working on their projects for an entire year, the final year BBA students were given an opportunity to showcase their hard work in front of both internal and external evaluators and get their valuable feedback. A total of 9 groups presented their innovative ideas to the evaluating team in a very competitive environment, where their efforts and dedication were highly appreciated. The winning team "Healthy Tiffin" comprised of Khairunissa Noonari, Yusra Feroz, Huda Siddiqui, Mahnoor Rahim and Manisha Ramesh, whose idea was a restaurant serving healthy, calorie-counted meals prepared from organic ingredients, specifically for health-conscious people. Working under the expert supervision of Dr. Abdul Subhan Kazi, Dean, Department of Management Sciences, the team was ranked first for their tremendous efforts and received a cash prize of Rs.10,000. The first runner-up team called "Tourflix", supervised by Mr. Mansoor Ahmed & Ms. Ujala Shah, secured second position and was awarded a cash prize of Rs. 8,000, whereas the second runner-up team "Rent a Look", supervised by Ms. Yasra Aslam, was given a cash prize of Rs. 7,000. The evaluating team comprised of Dr. Qamaruddin Mahar, Chairperson, DMS, Mr. Kaleemullah Shaikh, Manager, Atlas Honda Ltd., Mr. Furkan Mazhar, Manager, SMEDA, Dr. Nadeem Qureshi, Assistant

Professor, DMS & Dr. Zafar Siddiqui, Deputy Director, ORIC, Isra University, Hyderabad. The hard work and efforts put in by the teams were evident from the presentation of their well-thought-out ideas. The evaluating team was highly impressed and praised the creativity, diligence and entrepreneurial mindset of the presenting students. The event came to an end with an award distribution ceremony in which Dr. Hameedullah Kazi, Pro Vice Chancellor, and Dr. Qamaruddin Mahar, Chairperson, DMS, highly commended the determination and efforts of the graduating students and wished them the best for their future. After presenting certificates to all supervisors and the organizing team as well as cash prizes to the winning teams, group photographs were taken, marking the end of the event.

## MOCK INTERVIEW

The Career Development Center (CDC) under the Office of Research, Innovation & Commercialization (ORIC) conducted Mock Interviews for the final year students. Interviews were held on Tuesday, 12th November 2019 at Block – C, Isra University, Hyderabad.

The purpose of this activity was to provide an opportunity to the students where they could practice their interviewing skills in an environment similar to the actual interviews.

The interview was conducted by Mr. Muhammad Saad Alam (Human Resource Business Partner at Jaffer Brothers (Pvt.) Ltd), Mr. Haseebullah Memon (Manager of ORIC) and Ms. Donia Niaz Bughio (Manager of ORIC).

## ONE-DAY SEMINAR ON CAREER COUNSELLING & COMMUNICATION SKILLS

Office of Research, Innovation & Commercialization (ORIC) in collaboration with Career Development Center (CDC), Isra University, Hyderabad organized a one-day seminar on “Career Counselling & Communication Skills”. It was held on Thursday, 31st October 2019 at Isra University Hyderabad. The facilitator of this seminar was Mr. Muntazir Haider (Senior Partner & Consultant – The Brand Consultants). The objective of the seminar was to counsel & build the capacity of students, faculty & staff in their career selection and help them to groom their communication skills.

## IEEE ISRA STUDENT BRANCH ELECTIONS

IEEE Isra Student Branch Elections held on 29 November 2019 to

select team for Year 2020. The yearly elections held at the faculty of engineering, science & technology. The newly elected office bearers were Kosain Rais, Ihsan Junejo, Iqra Naeem and Qirat Vohra who were elected as Chair, Vice Chair, Treasurer and General Secretary respectively. Two each elected from Computer Science & Electrical Engineering departments.

Moreover, Prof. Dr. Hameedullah Kazi, Pro-Vice Chancellor, Engineering & Management Sciences, Isra University, Hyderabad, Pakistan and Head of Executive Council, IEEE Isra Student Branch & Engr. Saad Khan Baloch, Counselor, IEEE Isra Student Branch congratulated the newly elected body and wished them best of the luck for Year 2020

## FINAL YEAR PRESENTATION AND EVALUATION SESSION

The final year project presentation and evaluation session of Computer Science department conducted on Thursday, 26th December 2019. The evaluation held by both internal and external committee members, the external examiners, Dr. Mukhtiar Memon (Assistant Professor Sindh Agriculture University, Tandojam) and Mr. Jawad Qureshi (CEO Logical Technologist) evaluated the projects.

Students from various disciplines presented their projects. Both external examiners as well as faculty appreciated the efforts of the students and encouraged them to work more on market and research-oriented projects. The session ended with a group photograph

of faculty members and external examiners.

## FINAL YEAR PROJECTS PRESENTATIONS

Final Year Project Presentation of the department of Electrical Engineering organized on 30 December 2019 at the department. Engr. Prof. Dr. M. Saad, HOD, QUEST department of Electronics Engineering, was the external along with Engr. Mehfoze Qazi, Project Director, and Sindh Alternate Energy Project. The externals were very happy to see the final year projects and the work done by the students of 1601-BEEE students as the quality of work was equally like the market need and demand.
